Edmonton Pro Rodeo makes a move and gains Canadian Pro Tour Status

Edmonton Pro Rodeo rolls into the Edmonton EXPO Centre September 23-24

Edmonton, AB – The Edmonton Pro Rodeo will not only officially wrap up the regular Canadian Professional Rodeo 2022 season; it will also kick off the 2023 SMS Equipment Canadian Pro Tour.

Edmonton Pro Rodeo organizers saw the opportunity to increase the added money for the September 23-24 rodeo from \$4000 to \$8000 per event. The move will attract not only those athletes racing to secure a berth at the Canadian Finals Rodeo in Red Deer, Alberta and The National Finals Rodeo in Las Vegas, Nevada; but it will provide an added opportunity to those competitors who want to get a head start on the 2023 Pro Tour, including the Finals in Armstrong, British Columbia. The exciting move comes as an added bonus to give back to contestants and is sure to shake things up in the standings the final weekend of the 2022 season.

It all comes down to this!
